Re: Letter of Reference

Dear Prospective Construction Client:

On behalf of Tri-North Builders, Inc. I have been asked to furnish a personal recommendation for Terry O'Brien. I have personally known Terry over the past three years. Terry was the Project Manager for the electrical contractor who completed two Marcus Theatre projects in Columbus and Pickerington, Ohio, in 1997 and 1998.

In recommending Terry to you, I would like to say that there was not a time over the course of the past three years that I found Terry to be anything other than professional, constructive, and helpful. Terry always found a positive and economical solution to the most difficult problem.

I can't say enough about Mr. O'Brien and I would certainly recommend him without hesitation.

Sincerely,

A handwritten signature in blue ink that reads 'Jerry McGuire'.
